## Waste Management and environment improvement measures to ensure a sustainable Green Campus

The Institute is to take care of the environment through solid waste management, in order to maintain the beauty of nature in and around the campus the college sensitizes its students and staff about the environment through various activities.

### Solid and Liquid Waste Management:

- The waste is reduced in an organisation by training the students and staff with the help of waste management awareness program and its practices through advertisement on notice boards, displaying slogan boards in the campus.etc.
- Waste is segregated in the form of dry and wet waste.
- Color coded dustbins are used for different types of wastes.
- The waste which is segregated is then collected by municipal corporation vehicles for proper disposal.
- Even the furniture which is broken is also converted into reusable.
- We have newspaper kept in library and after collection of all paper we make Inter Office Committee year wise and sell those paper to old newspaper collector and we get cash which is kept for institutional use.
- Sanitary pads are made available from vending machines located at the college campus.

The college is to take care of the environment through solid waste management, in order to maintain the beauty of nature in and around the campus the college sensitizes its students and staff about the environment through various activities.

## E-Waste management-

The Institute works on awareness building about E-waste management. Policy of 3 R is accepted and disseminated through awareness building on *Reduce, Reuse and Recycle*. This is done through display boards, and student projects. Awareness about proper e-waste management is also built among the students and especially among those departments teaching Computer Based Courses to minimize e-pollution on and off the campus.

The Ashoka Education Foundation has centralized facility to collect e-waste from Colleges, housekeeping and disposal. E-wastes such as computer parts and mobile parts if generated are collected centrally & disposed off. Old monitors and CPUs are repaired and reused.

**CERTIFICATE**  
OF  
**RESPONSIBLE RECYCLING**  
ISSUED TO

Ashoka Business School

This document certifies that E-Incarnation Recycling Private Limited, processes, recycles, destroys and displaces the received material in an environmentally sustainable manner that is in accordance with all local, state and central Government regulations.
