Trust Background

Ashoka Education Foundation AEF) (is an ambitious educational body duly registered by Societies Registration Act, 1860 & Bombay Public Trust Act, 1950. AEF established in the year 2002, previously the Founder Members of Ashoka Education Foundation were involved in Educational Field through the Ashoka Training Institute from June 1997. After the registration of AEF, Management has started the "Centre for Excellence in Mathematics & Science" and "Ashoka Universal School" in June 2005.

The Ashoka Education Foundation was established in the year 2002 at Nashik. The Foundation is patronized by the renowned '**Ashoka Buildcon Limited**' engaged in Infrastructure Development activities. The group comprises of dynamic, innovative visionary promoters who have a vision to create new "records" of excellence in the academic field to serve the Global Community.

Visionary Promoters of Ashoka Buildcon Limited decided to serve the society in the Academic field and established the '**Ashoka Education Foundation**'. The vision is to provide facilities for pre-nursery to higher education and research - with a notable difference. The educational activities are & will be pursued by Dynamic and Devoted Academicians attracted from all over the world. Ashoka Education Foundation has undertaken the educational endeavour as a social mission right from the beginning and therefore started its activities by running schools with certain novel ideas about education. Ashoka Education Foundation does not intend to prepare talkative or rote-learning minded machines, but foundation is keen on preparing students as sociable and ambitious personalities. The efforts are, therefore, focused on ultimately to establish an international university level institution. Twenty years from now, India with her young Population will have to rise to support the global society. This can create unprecedented wealth for India, provided her young men and women are endowed with outstanding competencies and are proficient in modern technology. We need to groom them to become competent, thoughtful, ethical and morally balanced contributing members of this global village. **It will be our endeavour to provide a holistic educational experience to every learner and later look forward to our International University.**

Organizational Structure

Human Capital Resource Policy

For sustainable growth, institutional effectiveness and employee satisfaction, it is imperative to have personnel policies that are dynamic and accommodative to create conducive working environment where employees can utilize their best in conformance to the objectives of the foundation.

The institution encourages its employees to think, express and share their views and concerns with the management to facilitate decisions and operations through collective wisdom; and follow a prudent approach recognizing their contribution through appreciation.

The HR Policy encourages the institution's staff to be proud of 'who we are' and 'what we do' within the broad framework of institutional culture, where motivation, ownership, involvement and development are the keys.

With focus on Human Capital Resource, the policy aims at

1. Building competence of staff through repeated exposures in refining their technical skills.
2. Opportunities for career development.
3. Development of Group dynamics and team spirit.
4. Sharing personal and professional problems.
5. Inculcation of 3 Ds :Discipline, Dedication and devotion

The Policy stays committed to support the overall development of its human resource.

Non - Discloser Policy

Broadly maintaining the "open" culture, the foundation, in order to serve and behold its interest, restricts the disclosure of classified information related to-

1. Personnel compensation
2. Research information
3. Training material developed
4. Personnel data
