

Alumni E Meet-2023

Alumni Meet - 16th Sept,2023

INTRODUCTION

The primary purpose of conducting an alumni meet is to foster a sense of connection and nostalgia among past students. These events serve as platforms for networking, reminiscing about shared memories, and rekindling old friendships.

Alumni meets also provide opportunities for current students to interact with successful individuals who have walked the same path they are treading, gaining insights, mentorship, and guidance for their future endeavors. These gatherings often include a blend of informal interactions, formal presentations, and interactive sessions that enrich both the alumni and the institution.

In essence, alumni meet celebrate the legacy of an institution, showcase the achievements of its graduates, and contribute to its ongoing growth by maintaining a vibrant and engaged community of individuals who continue to share a common bond even after they have moved on to various walks of life.

OBJECTIVE

1. Alumni meets will provide a platform to reconnect with classmates, faculty, and staff, nurturing a sense of belonging and shared identity within the institution's community.
2. It will offer opportunities for alumni to expand their professional networks, exchange knowledge, and explore potential collaborations or career prospects.
3. Alumni can serve as mentors, providing guidance and advice to current students, aiding them in making informed academic and career decisions.

Association with Alumnus:

The association contributes to the development of its alma mater through monetary and non-monetary means. ABS alumni hold good positions and contribute by guiding the students. The alumni have suggested training programs in specific areas such as Advanced Excel, Digital Marketing, and Personality Development which has been positively taken up. The fund contributed by alumni will be used on social and student development activities. They are encouraged to donate in cash or kind for the student and alumni welfare. The institute is connected with the alumni community through a what's app group. The alumni also actively participate in the conferences, seminars and workshops organized by the Institute. The Alumni suggestions are implemented for student betterment.
