As higher education, institutions are constantly seeking ways to enhance their academic standing and quality. Faculty Development Program (FDP) was organised by Ashoka Business School to furnish educators with a comprehensive comprehension of strategic methodologies imperative for enhancing the National Assessment and Accreditation Council (NAAC) grade.

The topic for the program was “Effective preparation of SSR & Criteria wise input for NAAC Cycle 2” For this program institute invited Prof. Anuradha Jain as a guest Speaker. She discussed all criteria one by one. Briefly she advice how to collect the points to reach up to good score in NAAC gread. In question answer session many dautes get cleared by Prof. Anuradha Jain. It was very value added program.

Faculty Development programm for AEF

Ashoka business school organises Faculty Development programm on Intellectual Property Rights (IPR) Mr Parag Khedkar was a resource person . Intellectual Property Rights are legal rights granted to creators and inventors to protect their creations and innovations from unauthorized use. In the context of education, IPR plays a crucial role in encouraging creativity, innovation, and knowledge sharing.

Intellectual Property Rights play a crucial role in fostering innovation, protecting creators, and facilitating knowledge sharing in education. By integrating IPR education into curricula, supporting research and entrepreneurship, and leveraging institutional intellectual property, educational institutions can create numerous opportunities for growth and development.
