Master of Business Administration (MBA) –Syllabus 2019 Pattern (revised)

2 year, 4 Semester Full time Programme
Choice Based Credit System (CBCS) and Grading System
Outcome Based Education Pattern

MBA I effective from AY 2022-23
MBA II effective from AY 2022-23

1.0 Preamble: The revised MBA Curriculum 2022 finetunes the MBA 2019 Pattern which was built upon the Choice Based Credit System (CBCS) and Grading System and the Outcome Based Education. The MBA Curriculum 2022 also incorporates several aspects of NEP.

2.0 Definitions:

2.1 Outcome Based Education:

2.1.1 Outcome Based Education (OBE) Approach: Outcomes are about performance, and this implies:

- a) There must be a performer – the student (learner), not only the teacher
- b) There must be something performable (thus demonstrable or assessable) to perform
- c) The focus is on the performance, not the activity or task to be performed

2.1.2 Programme Educational Objectives (PEOs): Programme Educational Objectives are a set of **broad future-focused student performance outcomes** that explicitly identify what students will be able to do with what they have learned, and what they will be like after they leave school and are living full and productive lives. Thus PEOs are what the programme is preparing graduates for in their career and professional life (to attain within a few years after graduation¹).

2.1.3 Graduate Attributes (GAs): Graduate Attributes (GAs) are the **qualities, knowledge and capabilities** that students are encouraged to take responsibility for developing throughout their studies and are the **defining characteristics** of the students passing out of the MBA program. These attributes include, but go beyond, the **disciplinary expertise or technical knowledge**.

2.1.4 Programme Outcomes (POs): Programme Outcomes are a set of **narrow statements** that describes what students (learners) of the programme are expected to know and be able to perform or attain **by the time of graduation**.

2.1.5 Programme Specific Outcomes (PSOs): Programme Outcomes are a set of **narrow statements** that describes what students (learners) of a **particular specialization of the programme** are expected to know and be able to perform or attain **by the time of graduation**. PSOs are also a function of the various course combinations offered by the Institute.

2.1.6 Learning Outcomes: A learning outcome is what a student **CAN DO** as a result of a learning experience. It describes a **specific task** that he/she is able to perform at a **given level of competence under a certain situation**. The three broad types of learning outcomes are:

- a) Disciplinary knowledge and skills
- b) Generic skills
- c) Attitudes and values

2.1.7 Course Outcomes (COs): A set of specific statements that describes the **complex performances** a student should be capable of as a result of **learning experiences within a course**.

2.1.8 Teaching and Learning Activities (TLAs): The set of **pedagogical tools and techniques** or the teaching and learning activities that aim to **help students to attain** the intended learning outcomes and engage them in these learning activities through the teaching process.

2.1.9 Assessment: It is the process of collecting, recording, scoring, describing and interpreting information about learning

2.1.10 Outcome Based Assessment (OBA): An assessment system that asks course teachers to first identify what it is that we expect students to be able to do once they have completed a course or program. It then asks course teachers to provide evidence that they are able to do so. In other words, how will each learning outcome be assessed? What **evidence of student learning** is most relevant for each learning outcome and what **standard or criteria** will be used to evaluate that evidence? Assessment is therefore a key part of outcome-based education and used to determine whether or not a qualification has been achieved.

2.1.11 Rubric (Assessment Rubric): A rubric for assessment, also called a scoring guide, is a tool used to interpret and grade students on any kind of work against criteria and standards.

2.2 Academic credit: An academic credit is a unit by which the course work (theory/ practical/ training) is measured. Each course may be allotted credits in proportion to the time expected to be devoted by the student for that course. Thus, it determines the number of hours of instructions required per week

¹ Graduation refers to passing out of the MBA programme. Graduation does NOT refer to 10+2+3/4 degree e.g. BA, BE, etc.

4.2 MBA Programme Structure: The Basic Programme Structure shall be as depicted below

Course#	Semester I	Semester II	Semester III	Semester IV	Credits	FA Marks	SE Marks

The Bhagavad Gita

The Divine Song Of God

Bhagavad Gita is a sacred Hindu scripture that is a part of the Indian epic Mahabharata. The teachings in the Bhagavad Gita cover various aspects of life, duty, righteousness, and spirituality. Bhagavad Gita is believed to have been composed around 5,000 years ago.

Gender Sensitivity

Ashoka Business School has initiated several measures in **gender equity & sensitization** which are seen in the activities conducted by the Institution. ABS promotes **gender sensitization** through co-curricular activities like seminars, guest lectures, counselling etc. The Institution had organized '**Self-defense training**' for the girl students, conducted by the executor of Nirbhaya safety Drive Campaign.

Awareness programs like importance of human **rights**, **Cyber security awareness programs** are conducted periodically. ABS tries its best to work towards being a gender neutral educational institute.

The following committees are constituted at ABS as per norms laid by University/UGC:

Institution Grievance Redressal Committee, Anti-Ragging, Sexual Harassment Prevention Cell etc. ABS boasts of a friendly workculture having **70% female students and 60% female staff**.

ABS provides safety and security facilities for its students and staff such as CCTV surveillance throughout the campus and security arrangement. Students wear IDcards within the campus and outsiders are checked by security staff before entry. A Mentoring Program takes care of the students' academic, emotional, social and spiritual development. Personal counselling is provided to the students. There are separate common room facilities for girls and boys. There is a sanitary napkin vending machine for the safe and hygienic disposal of sanitary napkins.

Gender Sensitivity

1] Gender Sensitivity awareness Activity Session by Adv. Gayatri Deshmukh, counsellor and a spiritual guide

Objectives:

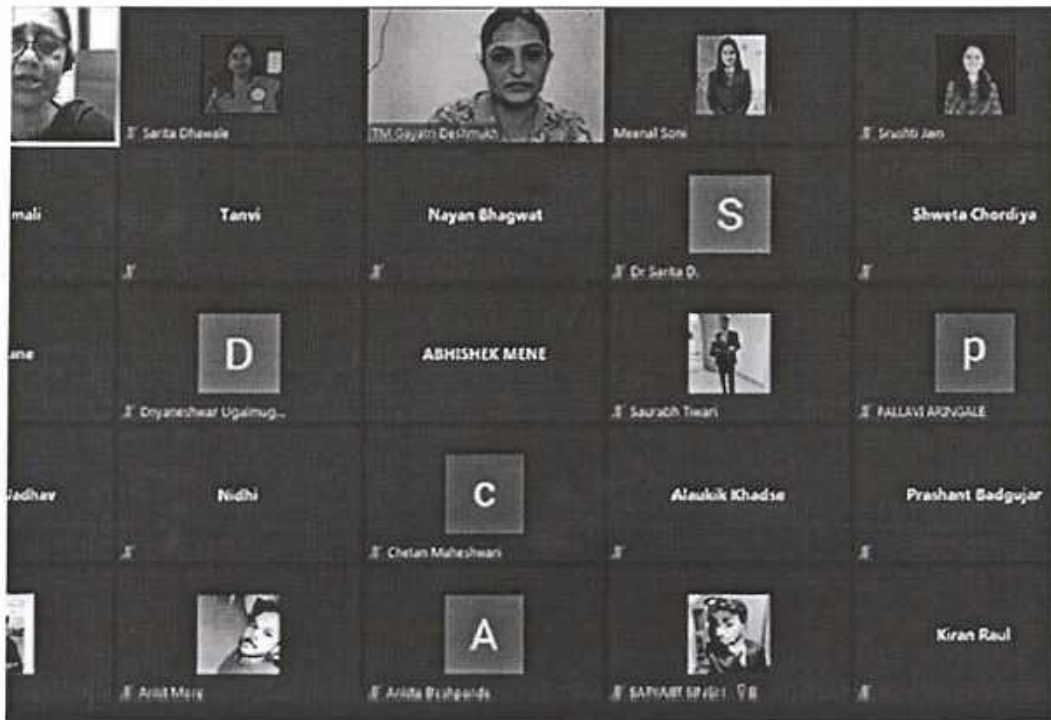

- A. To encourage the students to speak about issues in general and in the Open.
- B. To sensitize the students about Gender equality
- C. To bring in a fresh and different perspective in their set thinking.
- D. To make the male students aware of the female problems and sensitize them to it.

Event Schedule: 14th October 2020

It was a One hr. session to allow students to Pour out their Hearts on the recent happenings of brutal attack on women in UP. The girl students wanted to vent out their anger and frustrations about the attack on the women in Uttar Pradesh. Adv. Gayatri listened to them and counselled them on the real facts and how law can play an important part in bringing about justice. She also listened to all their issues and satisfied the girls to a great extent.

4] Importance of human values

Introduction:

Ashoka Business School believes in imparting value education to its students. Human values play an important role in molding the character and personality of an individual. To tell us more about their importance, we had Ms. Vyas to guide and interact with the students

ASHOKA BUSINESS SCHOOL NASHIK *Organises*

A SESSION ON IMPORTANCE OF HUMAN VALUES UNDER HOLISTIC DEVELOPMENT CELL

*In order to lead a
meaningful life, you need to
cherish others, pay attention
to human values and try to
cultivate inner peace.
Dalai Lama*

5] Importance of Human rights

Human Rights Day is observed every year on 10 December – the day on which the United Nations General Assembly adopted, in 1948, the Universal Declaration of Human Rights.

The theme of Human Rights Day 2020 is "**Recover Better - Stand Up for Human Rights**".

The theme relates to the COVID-19 pandemic and focuses on the need to build back better by ensuring Human Rights are central to recovery efforts.

- 10 December is an opportunity to reaffirm the importance of human rights in re-building the world we want, the need for global solidarity as well as our interconnectedness and shared humanity.
