## Session on Cyber Security Awareness

Name of the Activity : Cyber security Awareness

Date of the Activity : 16 th June 2023

Class : MBA – I & II

Resource Person : Mr. Amar Thakare

**Achievement** : The recent session on Cyber Security Awareness proved to be an invaluable initiative in enlightening participants on the critical importance of safeguarding digital assets. Covering a spectrum of topics, including threat landscapes, password hygiene, and recognizing phishing attempts, the session aimed to empower attendees with practical knowledge to navigate the evolving cyber landscape. Emphasizing the role of every individual in maintaining a secure digital environment, the session not only heightened awareness about potential risks but also provided actionable insights for implementing robust cybersecurity practices. As businesses and individuals become increasingly reliant on digital platforms, this session played a pivotal role in enhancing the participants' resilience against cyber threats, fostering a culture of vigilance and proactive cybersecurity measures.
