Independence Day Celebration

This Independence Day was different because of COVID-19 situations. It was not possible for everybody to physically attend the Flag Hoisting Ceremony which was the disappointing part. So, ABS Faculties decided to celebrate it in a different manner. They had a group discussion among themselves on the topic of - History of Indian Independence and Role of Educators in it. Every present member put his/her thoughts on the topic from different perspectives. The light was thrown on the role of education and educators in the fight for Independence.
