D. BELOW ARE THE SUGGESTIONS / GRIEVANCES SUBMITTED BY STUDENTS AND RELATED ACTIONS TAKEN:

SUGGESTION/GRIEVANCE	ACTION TAKEN
Please provide more Sports Room Equipment	Suggestion is considered and information provided to the students for the centralized facilities of sports at the central campus of AEF
Please make sure there is enough seating during the break & Cleanliness in the canteen	Provision for new extra tables and chairs is considered in budget and it will be provided by the month of June 2023
Industrial Visits & field trips to be conducted for marketing students.	Specialization wise field trips are planned for the students in the current semester
More Presentation practice is needed	The presentations are compulsory as one of the concurrent evaluation criterion and the college level presentation competition Management Guru is planned for all the students to showcase and practice their presentation skills
Allow students to enter into the college when they come late	It is a matter of punctuality and discipline. The students must follow the same. However the action against the frequent late comers is stringent not on students who come late on rare occasions
Kindly allow students to leave the campus if sessions are over before 4.30pm (MBA II)	This is the query for the IVth semester only where the students are allowed to leave the campus if their lectures are over. Only on some events or expert sessions/trainings are scheduled then they have to attend the same for their personal and professional development.
More Books for the Sem IV	The book requisition is already in process, the books will be provided well before the examinations
Provision of more parking space	Due to the limitations in horizontal expansion the increase in parking space would be difficult. However, the optimum utilization of the available parking space is instructed.
