

Green India Drive

For a sustainable tomorrow, the need of the hour is to embed the habit of cleanliness in the students. Ashoka Business School has adopted this program of working towards a cleaner and greener environment. It ensures that the young students who are the decision makers of tomorrow, become champions of greenery and cleanliness. ABS believes in instilling such changes in its young students and professionals to make their areas green and clean.

Students, in this manner take up greening of the surrounding area and care for planted trees. On 27th July 2018, students of ABS, along with their faculties came together to plant flowering plants in the campus. 10 students who had their birthdays in the month of June and July bought saplings and did their bit in preserving the environment. Dr. D.M. Gujarathi, Director, HE, AEF and Prof. Manisha Bhamre, Director In-charge and all the faculties were present to encourage and cheer the students in their noble cause.

ISR initiative: Diwali Sweets distribution by students

- ❖ **Date:** 3rd November 2018
- ❖ **Event Coordinator:** Prof. Manisha Bhamre
- ❖ **Participants:** All MBA students
- ❖ **Venue:** Patilwadi, Near Trimbakeshwar, Nashik

The students of Ashoka Business School, as part of its ISR (Institute Social Responsibility) activity collected DIWALI Sweets out of contributions made by the students and faculties. They visited Patilwadi, a remote Hamlet near Trimbakeshwar along with Swami ShriKanthanandaji, President of Shri Ramakrishna Arogya Sansthan-Vivekanand Dhyan-Yog Kendra, Anjaneri Trimbakeshwar. The sweets were distributed to all the people of Patilwadi with whom ABS students spend some time spreading joy and bringing smiles on the faces of the children. They spread the lights in the true sense in Patilwadi on the eve of Diwali. They were guided in this venture by the ISR Coordinator, Prof. Manisha Bhamre. Dr. D.M. Gujarati, Director, Higher Education, Ashoka Education Foundation, praised the students for their sincere efforts. All the Faculties and non-teaching staff too had pitched in their support for this selfless activity. Swamiji remarked how his heart was filled with bliss to see the students doing this selfless act whole heartedly and praised the Institute for grooming the students into excellent human beings. He was glad to see the Holistic development in Students which is vital to prepare students to meet the challenges of Life as well as academics. The students of ABS are always at the forefront of any social cause carried on through the ISR cell.

MAHASHRAMDAN-PAANI FOUNDATION ACTIVITY

Introduction:

A people's movement to fight drought, Paani Foundation is a nonprofit company set up in 2016 by the team of TV series Satyamev Jayate to fight drought in rural Maharashtra. To overcome water scarcity, a manmade condition, with the help of people's efforts, Paani Foundation has been harnessing the power of communication to mobilize and motivate people in this mission to eradicate drought. It works in roughly 90% of drought hit Maharashtra. Their flagship project, The Satyamev Jayate water cup was instituted in 2016 as a way to encourage villages to apply their training in watershed management. ABS, under the tutelage of Prof. Manisha Bhamre registered with Paani Foundation and was allotted the village of Radherwadi, near Chandwad for Shramdaan.

Students of ABS are always at the forefront when it comes to do any social activities. It helps them to be firmly rooted on the ground and understand the bare realities of Life which in turn develops their personalities in a holistic manner.

❖ **Activity Incharge:** Prof. Manisha Bhamre

❖ **Date:** 1st May, 2018

World Environment Day Celebration

Introduction:

A World Environment Day was celebrated at ABS providing an opportunity to broaden the basis for an enlightened opinion and responsible conduct by students and enterprises in preserving and enhancing the environment. An awareness of the importance of conserving the environment was created. The theme for 2018, "Beat Plastic Pollution," was a call for action to all to come together to combat one of the great environmental challenges of today's time. The importance to reduce the heavy burden of plastic pollution on our natural places, our wildlife – and our own health was stressed upon.

- **Activity in- Charge:** Prof. Manisha Bhamre
- **Date:** 5th June, 2018
- **Participant:** Faculties and students
- **Venue:** Belgaon Dhuga, Trimbakeshwar road, Nashik
